## **INTRODUCTION**

This is the guide for the Mitsubishi Asian Children's Enikki Festa 2024 - 2025 in the Philippines.

The "Festival of Asian Children's Art" was started in 1990 by the Mitsubishi Public Affairs Committee, the Asian Pacific Federation of UNESCO Clubs and Associations, and the National Federation of UNESCO Associations in Japan for cultural exchange and literacy education among Asian children through Enikki.

In 2006, it was renamed the "Mitsubishi Asian Children's Enikki Festa" to further encourage cultural understanding and respect among children in Asia. Since its inception, the event has received 844,765 entries, with exhibitions held in Japan and overseas showcasing top selections. The 2024-2025 event invites participation from children in 24 Asian countries and a region, with winners to be announced in July - August, 2025. Past events have deeply moved audiences with the children's artworks, and the organizers hope to discover more sensitive and beautiful pieces in the upcoming round.

This guide will help organizers and students to advertise the event, collect artworks from as many children as possible and have a chance to appreciate fantastic artwork of children.

Childlike innocent essay and coloring is favorable. The author' s living circumstances are expressed very well in the painting.
