**SUBJECT: Requesting for DepEd Advisory**

Dear Dr. Aquino,

Greetings of Peace!

The National Coordinating Body of Clubs for UNESCO in the Philippines, Inc. (NCBCUP, Inc.) has been working with the Filipino youth as active players in pursuing advocacy-driven endeavors in local, regional, national and even in the international scale. As it celebrates the 14th founding anniversary as the biggest and largest network of Clubs for UNESCO of youth advocates in the country, NCBCUP sustains the annual gathering of youth advocates and young leaders through the International Assembly of Youth for UNESCO (Y4U) on **November 29 to December 1, 2024** to be held at **City State Asturias Hotel Palawan, Puerto Princesa City**, with the theme: **"Empowering Communities through UNESCO Initiatives: Advancing Science and Technology, Culture, Creativity and Lifelong Learning"**

Various activities and competitions are lined-up to strengthen the Clubs for UNESCO's intrinsic mandate of being grassroots changemakers and empowering them to carry on the challenge of localizing efforts anchored on regional, national, and international declarations. Approximately 150 accredited UNESCO Clubs are expected to take part in both the plenary sessions and breakout sessions.

In this regard, we would like to request for the release of an Advisory from your Regional Office so that our accredited Clubs for UNESCO in the public school, teachers and students, can attend this annual event. Please see attached Concept Note of the conference and Publicity material for your reference. You may visit the link for further details: <https://www.unescoclubsph.org/home>

We look forward to fostering fruitful collaborations and eagerly await the approval or issuance of a DepEd Regional Office Advisory to further support our collective efforts.

Sincerely Yours,

**Dr. Serafin Arviola, Jr.**
