6TH INSTABRIGHT INTERNATIONAL RESEARCH CONFERENCE AND PRESENTATION

The INSTABRIGHT International Guild of Researchers and Educators, Inc. will conduct its 6th International Research Conference and Presentation at Hotel Montecillo, Tagaytay City on September 20-22, 2024 with the theme "The AI Revolution: Ethical, Social, and Technical Considerations for Artificial Intelligence."

Teacher-researchers or student-researchers of the Department of Education from the regional and schools division offices, including public and private elementary and secondary schools, attached agencies of the department, and other educational institutions, are invited to participate in the activity on a voluntary basis.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Attention: Mr. Tolentino Aquino

Department of Education - Region 1

Dear Mr. Aquino,

Hello!

We are pleased to announce an exceptional opportunity for the third quarter of 2024: our upcoming online training sessions. Our first event is the "Intermediate Statistical Analysis In-Depth Seminar-Workshop," designed for professionals seeking to deepen their analytical skills. This virtual seminar will be conducted on July 24, 25, and 26, 2024. Join us from anywhere and benefit from expert-led instruction and comprehensive content, all conveniently accessible from your own workspace. Don't miss this chance to advance your expertise in statistical analysis.

Why attend this Training? Our aim is to equip you with practical statistical analysis skills and a solid understanding of various statistical tests. We'll cover parametric and non-parametric tests, regression analysis, and more. By the end, you'll confidently select the right test for your research needs, supported by theory, practical examples, and hands-on applications.

Included in the training fee are a temporary license for IBM SPSS Statistics, a digital seminar kit, digital certificates, and 90-day exclusive access to the webinar recording, available for viewing but not download. To join, mark your calendars for July 24, 25, and 26, 2024 and email us to secure your spot. Group discounts are available. Don't hesitate to reach out with any questions. We're eager to embark on this learning journey with you!

**ADVANCED STATISTICAL ANALYSIS USING
IBM SPSS TRAINING WORKSHOP**

September 3,4,5, 2024

In-depth and more advanced statistical procedures are available in IBM SPSS. Several advanced statistical techniques will be discussed based on the situations and the assumptions made by each method. .

RESERVE A SEAT

REGRESSION ANALYSIS USING IBM SPSS

July 30,31 and August 1, 2024

This course delves into regression techniques for analyzing relationships between interval scale variables. Learn when and how to apply each technique, interpret results, and address assumptions. We'll also cover preliminary data analysis and what to do if assumptions fail.
