Ma'am:

Greetings from Philippine National Volleyball Federation!

The Philippine National Volleyball Federation (PNVF), in partnership with the Malasiqui Local Government Unit, will conduct a national referee course on July 22-27, 2024 at Arenas Civic Center, Malasiqui, Pangasinan.

It is intended to equip interested individuals who would like to become National Referees and to update all the licensed and non-licensed referees of the Philippine National Volleyball Federation on the latest trend in the mechanics of volleyball officiating, standard interpretation of the rules and the referees' code of conduct. The course also aims to unify the interpretation of rules, correct adaptation of systems, exact and proper mechanics, and develop a new breed of dynamic volleyball referees.

Participants who pass the refereeing standards will be given accreditation as national referee candidates based on their proficiency results in written, oral, and practical examinations at the end of the course. From then on, these referees will become members of PNVF and will be tapped to officiate in different tournaments, leagues, and other volleyball competitions.
