Dear **Mrs. Eda**:

Greetings from the Department of Information and Communications Technology - Region 1!

We are pleased to inform you that our office will be conducting an information session on **Cybersecurity Awareness and Basic Digital Literacy** for various government agencies, local offices, and schools in the province. This session aims to equip and empower officials, employees, and students with the essential knowledge and skills necessary to protect themselves and their personal information in the digital environment.

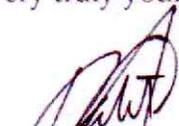

In this regard, we respectfully **request to conduct the said information session for at least 20 ALS students on 31 July 2024 at the Vigan Conservation Complex and on 19 August 2024 at Barangay III, DICT-DTC room, both from 9:00 AM to 12:00 PM.** If you are unavailable on the scheduled dates, kindly inform us of your preferred date so that we can make the necessary adjustments.

As the opening of classes for the school year 2024-2025 starts, we believe that this session will play a crucial role in enhancing the safety and security of all ALS students, while also equipping them with essential digital skills necessary for navigating the ever-evolving digital landscape. These technologies will provide our students with the tools they need to fully harness their learning potential and thrive in their educational journey.

If you have any inquiries or need further information, please feel free to contact us via email at **jonathan.rabot@dict.gov.ph** or through mobile number **09171439793**.

Thank you for your consideration and support. We look forward to collaborating with you on this endeavor toward a more secure and better digital future.

Very truly yours,

JONATHAN VON A. RABOT
