SUBJECT : CELEBRATION OF THE GLOBAL HANDWASHING DAY 2024

DATE : September 24, 2024

The DepEd Order 10, s. 2016 (DO 10, s. 2016) or the Policy and Guidelines for the Comprehensive Water, Sanitation, and Hygiene in Schools (WinS) Program, aims to promote proper hygiene and sanitation practices, and advocates for creating a clean environment in and around schools, ensuring the safety and health of learners. DO 10, s. 2016 is designed to enhance learning and health outcomes while improving learners' attendance through a comprehensive, sustainable, and scalable school-based program for water, hygiene, sanitation, and deworming. This aligns with the State's mandate, as established in the 1987 Constitution, to uphold children's rights to adequate care and nutrition and to protect them from harmful conditions. Additionally, it seeks to promote public health and instill health consciousness within the community.

The Department of Education (DepEd), through the Bureau of Learner Support Services – School Health Division (BLSS-SHD), in collaboration with the United Nations Children's Fund (UNICEF), will lead this year's celebration of **Global Handwashing Day**, themed "Why are Clean Hands Still Important?" Celebrated every 15th of October, this global initiative aims to raise awareness about the significance of handwashing with soap as a simple yet effective means to prevent diseases and save lives.

To promote public awareness about this celebration, all DepEd offices are encouraged to undertake Global Handwashing Day 2024 related activities, such as but not limited to:

- utilizing online and other social media platforms through active use, posting, and sharing of the Global Handwashing Day 2024 campaign and advocacy materials in all DepEd official websites and social media pages; and
- conducting own relevant activities for learners and their families such as webinars, lectures, exhibits, etc.

All DepEd schools are also enjoined to conduct simultaneous handwashing activity among learners, teaching and non-teaching personnel, parents and other stakeholders.
