Regional Office No. 1
City of San Fernando, La Union

Dear Dir. Aquino:

The Department of Science and Technology - Science Education Institute (DOST-SEI) announces the availability of applications for the **2025 Science and Technology Undergraduate Scholarships**.

The S&T Undergraduate Scholarship Program aims to stimulate and entice talented Filipino youths to pursue lifetime productive careers in science and technology and ensure a steady, adequate supply of qualified S&T human resources which can steer the country towards national progress.

Grade 12 students who are interested and eligible are encouraged to prepare their requirements before applying at <https://www.science-scholarships.ph> (Forms and instructions are also available in this link. The application deadline is **November 22, 2024 (Friday)**, and the Qualifying Exam is tentatively set for **April 5-6, 2025**, at testing centers nationwide.

In this regard, we respectfully request permission to conduct a school-to-school campaign across all public and private senior high schools in the region, with support from each SDO's Education Program Supervisor in Science. we plan to visit schools in the following provinces on the schedule listed below:

DATE	PROVINCE
October 23-25, 2024	Pangasinan
October 28-30, 2024	La Union
November 5-8, 2024	Ilocos Sur
November 11-14, 2024	Ilocos Norte

This aims to reach more schools and provide opportunities for talented, underprivileged students with strong aptitude in science and mathematics to pursue courses in science, math, and engineering
