Dear Dr. Aquino:

Greetings from the Aloysian Professional Community!

In line with **DepEd Order No. 39, s. 2016**, also known as the **Adoption of the Basic Education Research Agenda**, which underscores the importance of evidence-based decision-making, we are committed to supporting the Department's mission of ensuring that every Filipino has access to quality, equitable, culture-based, and complete basic education. The research agenda aims to promote progressive practices that are informed by sound and relevant research.

To further this goal, Aloysian Publications is pleased to spearhead an international research conference designed to provide a platform for the presentation of current scientific work in various educational specializations. The conference welcomes studies in fields such as public administration, economics, business, science, social sciences, culture, and more. It also aims to foster collaboration between academic researchers and professional practitioners, facilitating the long-term exchange of knowledge and addressing timely and critical issues in education.

In response to the educational challenges brought on by the pandemic and various catastrophic phenomena, Aloysian Publications (Philippines), in collaboration with BETMA English (Vietnam), is organizing the **2ND INTERNATIONAL MULTIDISCIPLINARY RESEARCH CONFERENCE** with the theme: **Innovative Solutions for Global Challenges: Bridging Disciplines for Sustainable Development**. Participants who attend the full three-day event will receive a digital certificate. The Top 5 Best Papers, Top 5 Best Oral Presenters, and Top 5 Best Abstracts will be recognized. The deadline for abstract submission is November 30, 2024 (Saturday). A registration fee of P3,000.00 (members) and P3,500.00 (non-members) will be charged to all paper presenters which includes publication of the abstract both in printed and online journal publications. Participants/Observers will be charged with a minimal registration fee of P1500.00 (members) and P2000.00 for non-members.
