Dear MA'AM,

Greetings!

This month of November, we are celebrating the 32nd National Children's Month (NCM) by virtue of RA 10661 with the theme, "**Break the Prevalence, End the Violence: Protecting Children, Creating a Safe Philippines**". This celebration commemorates the adoption of the United Nations Convention on the Rights of the Child (UNCRC) on November 20, 1989. It seeks to instill its significance in the Filipino consciousness. It also aims to give Filipino children access to a healthy environment, good education and healthcare.

As the lead advocate for the rights of the child and gender and equality, the City Government of Vigan will be conducting a month-long celebration with different activities to be celebrated with. One of the activities to be conducted are the Skills Training On Bread and Pastry (cake making). The participants of this skills training are the ALS Learners (15 slot) which is scheduled on November 21-23, and 25-29, 2024.

Another activity to be conducted which is the highlight of this monthlong celebration is the Student Congress and the State of the Children Report which will be on November 25, 2024. Anent to this, may we request your presence including your honorary students for a meeting on November 21, 2024, 2:00pm at Vigan Culture and Trade Center (VCTC).
