PRE-WORKSHOP EXERCISE - 1 YOUR YEAR GOALS

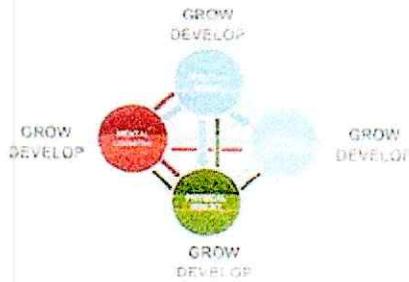

Complete In Advance of the Upcoming Workshop.
Bring your completed worksheet to the workshop.

Your 1 Year Goals are designed as distinct, long-term objectives that reflect your aspirations and commitments beyond the scope of short-term challenges. These goals focus on broader, more significant achievements that require extended effort, strategic planning, and persistent dedication. Unlike the specific, structured approach of a short-term challenge, 1 Year Goals are about envisioning where you want to be in various aspects of your life, including career, personal development, relationships, and personal well-being, after a year has passed.

The essence of setting 1 Year Goals is to establish clear, actionable targets that motivate and guide you towards substantial growth and accomplishment. These goals encourage you to think beyond the immediate future and consider what meaningful success looks like to you. Whether it's achieving a professional milestone, mastering a new skill, enhancing your health and fitness, or fostering deeper personal relationships, your 1 Year Goals should be tailored to your unique desires and life situation.

DEFINE YOUR 1 YEAR GOALS

Visualizing Where You Want to Be

These dimensions require continuous and intentional growth and development to unlock our full potential. Now, visualize where you want to be in each of these areas. Please write it down and capture this vision for yourself. Get emotional, get engaged, get engulfed, and visualize details about what makes it so compelling.

Start by articulating a **COMPELLING VISION** for each area, the **WHAT AND WHY**. These are the compelling reasons. Then, map out the **HOW**. This is the plan and the strategy to get you there for each dimension.

VISION		STRATEGY
WHAT? <i>What result are you seeking to achieve?</i>	WHY? <i>Why is this goal important to you?</i>	HOW? <i>How will you get there through purposeful behaviors, actions, habits, and mindsets?</i>
<i>What core values do you want to integrate into your life more fully?</i>	<i>How will you feel when you achieve it?</i>	<i>What daily practices can help you embody these values?</i>
<i>In what ways do you want your actions to reflect your beliefs?</i>	<i>Why are these results significant to your identity and sense of purpose?</i>	<i>What are specific actions you can take to demonstrate these values in challenging situations?</i>
	<i>How do these beliefs shape your interactions and decisions?</i>	<i>How will you hold yourself accountable?</i>
