Dear Ms. Eda:

Greetings of peace and good health!

We are the UN Sustainable Development Solutions Network - Youth Philippines (UN SDSN Youth PH), a non-government organization launched by the UN Secretary-General to empower and mobilize the youth sector to be active stakeholders in championing good governance for the seventeen (17) Sustainable Development Goals (SDGs). Established in 2015, UN SDSN Youth Philippines has been recognized as one of the largest youth NGOs in the country, with a network of more than one hundred fifty (150) member youth organizations and an estimated number of three hundred thousand (300,000) youth members representing all regions and key cities in the Philippines.

We are happy to share that we will be implementing the *Harmony for Humanity: Human Rights Youth Festival*, the third component project of our *Human Rights Archipelago Program (HARAP)*, in partnership with the Commission on Human Rights (CHR) through its *Governance in Justice Program (GOJUST)*, and supported by the European Union (EU) and the Spanish Agency for International Development Cooperation (AECID).

The Harmony for Humanity: Human Rights Youth Festival will be held on **December 14, 2024 from 1:00 PM to 5:00 PM at the Provincial Farmers Livelihood Development Center in Vigan City, Ilocos Sur**. Through this program, we would like to spark a movement among the youth and develop potential youth champions who will promote, defend, and campaign for human rights in their respective communities.

In line with this, we would like to respectfully request your school/organization to send a delegation of **30 students/youth leaders to attend the half-day event. A transportation allowance of Php 100 per attendee will be given by the organizers.** All attendees will also be provided Certificates from the United Nations Sustainable Development Solutions Network (UN SDSN), the Commission on Human Rights, the European Union (EU), and the Spanish Agency for International Development Cooperation (AECID). **After identifying the attendees, please send the list of their names to our point person mentioned below.**

Should there be any further queries or clarifications, please do not hesitate to contact our point person, Alliah Nicole T. Sayo, through email at alliahnicolesayo0928@gmail.com or via cellphone number 0915-762-9557. We have also attached a concept note of the program for your reference.

We look forward to hearing from you soon.
