**RE: GBF STEM Collab Webinar on ILSAs for Math and Science
on Feb 8, 15, & 22, 2025**

Dear Director Aquino:

Greetings from Gokongwei Brothers Foundation (GBF)!

We are grateful for the partnership between GBF and your office in uplifting education in our country through various programs. Aside from the GBF Class Builder, we are happy to share about GBF STEM Collab, an engaged learning community of more than 81,000 STEM Educators. Aside from being a peer learning platform, it is also a capacity-building program that provides free, bite-sized, and PPST-aligned webinars.

Building on our shared commitment to supporting educators, we are pleased to present the **GBF STEM Collab Webinar Series on International Large-Scale Assessments (ILSAs) for Math and Science**, designed to equip teachers with strategies for globally benchmarked evaluations. ILSAs include PISA, TIMSS, and SEA-PLM. The webinars will be livestreamed for free at 9:00 AM and 1:00 PM on February 8, 15, and 22, 2025, via the **GBF STEM Collab Bestie Facebook Page**.

In line with this, we would like to request your good office for the following:

1. to disseminate information and encourage School Heads, STEM Teachers, and Club Advisers from Public and Private Elementary and Secondary Schools to join the [GBF STEM Collab FB Community](#) and attend the learning sessions,
2. to endorse the GBF STEM Collab Webinar Series to DepEd offices within your network,
3. to promote GBF STEM Collab to your constituents through your information channels, and
4. to co-livestream our webinars on your official Facebook Page.
