Subject: Proposal for Summer Hands-on Training Program on Pencak Silat

Dear Dr. Eda,

Greetings of peace and discipline!

We, at **Ilocos Tigres Pencak Silat Team** humbly present this proposal and invitation for students within your division to participate in our upcoming **Summer Hands-on Training on Pencak Silat**.

For seven (7) years, we have been committed to developing young athletes and promoting the values and discipline of Pencak Silat. Through our continuous efforts, we have successfully produced medalists in local competitions and national athletes who had the chance to represent our community and the country in international events.

This summer, we aim to reach more students and provide them with an opportunity to learn this rich martial art, enhance their physical and mental well-being, and open doors for future opportunities in sports and personal development.

Program Highlights:

- **Hands-on Training on Pencak Silat** led by experienced and licensed instructors.
- **Eligibility to compete in various competitions** such as:
 - Local invitational tournaments, DepEd Games, and other division-level events.
 - National competitions like Martial Arts Festival, Batang Pinoy, and Philippine National Games.
- **Belt Promotion Opportunity** – After completing at least **one (1) month of training**, students will be qualified to undergo **Belt Promotion Assessment** and will have the chance to be officially recognized with their respective **Silat Belt Rank**.
- **Personal Growth and Life Skills Development** – The program is designed not only to hone athletic abilities but also to develop discipline, self-confidence, respect, and self-defense skills that students can apply in day-to-day life and potential career paths in the future.

We firmly believe that this initiative will contribute to the holistic development of our learners, promoting both physical fitness and character-building, in alignment with the goals of the Department of Education.

In this regard, we respectfully request your kind endorsement of this summer training program and your assistance in encouraging schools under your supervision to allow interested students to enroll.

Should you require further information or a meeting to discuss this proposal, we are very much willing to coordinate with your office.

Thank you very much for your support in nurturing the talents and well-being of our youth.

Respectfully yours,

EVELYN D. TABUTOL
