Region I - Ilocos Region

Dear Mr. Aquino:

Greetings!

The Philippine Association of Records Officers and Archivists (PAROA), is pleased to announce its second quarter conduct of a seminar with the theme "Assessment of Digital/Manual Records Management Compliance with Quality Service and Data Protection Regulatory Requirements", scheduled on July 8, 9, & 10, 2025 at the A&A Plaza Hotel, National Highway cor. Wescor Road, Puerto Princesa City, Palawan.

Effective Digital Records Management is essential for organizational value creation, regulatory compliance, and information security. This training program is tailored for officers and staff responsible for overseeing, developing, and operating digital/manual records management systems. It emphasizes quality service and the safeguarding of data privacy, confidentiality, process integrity, system availability, and accountability - key legal and organizational priorities in digital record-keeping. The program equips participants with the knowledge and tools necessary to confidently build their capabilities, ensuring they "get it right the first time" when demonstrating service quality, data privacy, and information security in core record management processes.

This seminar aims to enhance the competence of government personnel by providing them with the latest techniques on how to implement quality service indicators, ensure regulatory compliance, incorporate data privacy requirements, conduct privacy impact assessments, implement security controls, and develop breach response protocols for trusted digital record management systems. We aim to develop and operate secure, compliant digital record management systems with robust privacy and security controls.

In line with this, we are cordially inviting Local Chief Executives, Records Officers, Records Administrators, Records Custodians, Archivists, Administrative Officers, Administrative Assistants/Staff, and other personnel, be it from the National Government Agencies, Local Government Units, State Colleges and Universities, who are involved in the records management program of their respective offices.

The three-day activity will accommodate participants on a first-come-first-served basis with a registration fee of **Eight Thousand Eight Hundred Pesos (Php 8,800.00) for live-in participants** and **Six Thousand Eight Hundred Pesos (Php 6,800.00) for live-out participants**.
