Dear **Superintendent EDA:**

Warm greetings!

In line with our initiative on adolescent health and development, the City Government of Vigan will again be revitalizing its Call for Adolescents to Make a Positive Impact (CAMP-I) Peer Education Program. It aims to create a pool of empowered adolescents who will serve as peer educators and advocates for healthy behaviors, life skills, and mental well-being.

We are currently accepting applications from adolescents aged 14-16 years old who are willing and capable of serving as CAMPI Peer Facilitators. These individuals will undergo orientation and training and later take part in school and community-based activities focused on adolescent health and development.

In this regard, we respectfully request your support and assistance in endorsing and encouraging interested individuals from secondary schools to apply for the program. Enclosed here is the application form and poster for your dissemination. The deadline of the application will be on August 29, 2025. Kindly submit applications to the Vigan City Health office or by submitting via email at healthofficevigancity.gov.ph (Subject: CAMPI Application).

Should you need further details, please feel free to contact Ms. Mylene Amano-Bogaoan at 09178253535.

Thank you very much! We highly value our partnership in shaping our adolescents to become healthy and responsible members of the schools and community!
