1ST COUNCIL GATHERING OF GIRL LEADERS

August 24-25, 2025

Theme: HUBOG: Honing, Unleashing, and Building One-of-a-kind Girls

RATIONALE:

The Girl Scouts of the Philippines (GSP) Ilocos Sur Council recognizes the vital role of young women in shaping the future of our nation. As we continue to cultivate a generation of empowered, compassionate, and responsible leaders, the Council-wide Girl Gathering of Girl Leaders is envisioned as a strategic platform to nurture and ignite leadership among our girls. Anchored on the theme "*HUBOG: Honing, Unleashing, and Building One-of-a-kind Girls*," this event encapsulates our commitment to the holistic development of every Girl Scout—honing their potential, unleashing their voice, and building their capacity to lead with purpose.

"HUBOG," a Filipino word that translates to "*to mold or shape*," reflects the core essence of this gathering: to mold our girls into dynamic and principled leaders through an intensive leadership enhancement training program. This transformative initiative is designed to equip participants with essential leadership skills, self-awareness, and a deepened understanding of their role as catalysts for change within their communities and beyond.

The gathering will feature a diverse array of interactive workshops, thought-provoking discussions, and hands-on exercises. These sessions will not only strengthen the girls' leadership competencies, but also instill in them the values of empathy, responsibility, collaboration, and resilience. More than just a leadership camp, this event serves as a journey of self-discovery where each girl will be challenged to step outside her comfort zone and rise to her fullest potential.

Moreover, this gathering will serve as an orientation and deep-dive into the various GSP programs and initiatives. By integrating and infusing these programs into the sessions, the participants will be better acquainted with the mission and vision of the movement. They will gain a clearer perspective on how their leadership journey

aligns with the broader goals of GSP—developing girls of courage, confidence, and character who make the world a better place.

Ultimately, the Council-wide Girl Gathering aims to foster a sisterhood of inspired Girl Leaders—each unique, each empowered, and each ready to lead with purpose. As we hone, unleash, and build *one-of-a-kind girls*, we also build the foundation of a stronger, more compassionate future led by women of strength and vision.

OBJECTIVES:

At the end of the gathering, the participants are expected to:

1. Develop leadership ability through group dynamics;
2. Grasp clearer understanding of their fellow girls and how to better lead them;
3. Take action on how to promote the movement and encourage girls to make a stand on the issues of their generation.
