CONDUCT OF THE COMPREHENSIVE SCHOOL SAFETY MONITORING

To: Assistant Schools Division Superintendent
 Chief Education Supervisors
 All Public Elementary and Secondary School Heads
 All Others Concerned

1. Pursuant to Republic Act No. 10121 – The Philippine Disaster Risk Reduction and Management Act of 2010 and DepEd Order No. 21, s. 2025 titled Disaster Risk Reduction and Management (DRRM) Coordination and Information Management Protocols, this Office reiterates the implementation of the Comprehensive School Safety (CSS) Program in all public schools.

2. The objective of the program is to institutionalize a holistic, inclusive, and risk-informed approach to school safety by ensuring that schools implement proactive and coordinated measures under the three key pillars of the Comprehensive School Safety Framework: Safe Learning Facilities, School Disaster Management and Risk Reduction and Resilience Education.

3. The Comprehensive School Safety Monitoring Tool shall be utilized to capture the progress of school safety initiatives in all schools, and to integrate the findings with the DRRM Plan and Annual Improvement Plan.

4. Through this program, schools are reminded to consistently observe safety, cleanliness, and orderliness in all classrooms, comfort rooms, curricular and co-curricular rooms, learning corners, and offices **at all times**. This action reinforces the commitment of the Division to ensure a safe and conducive learning environment. It also promotes a culture of discipline, responsibility, and care among learners and school personnel. Regular monitoring and maintenance of these areas are encouraged, alongside the active participation of learners, to instill shared accountability in maintaining a clean, organized, and hazard-free school environment.

5. The school-based monitoring must be conducted from July 1 – 17, 2025. Submission of the report is on or before July 18, 2025. The Division will monitor the progress from July 21- 31, 2025.
