DATE : October 15, 2025

On January 1, 2024, the Bureau of Treasury (BTr) officially implemented the National Indemnity Insurance Program (NIIP). It aims to provide adequate comprehensive insurance coverage for strategically important assets, ensuring the country's financial resilience against disasters. The BTr has identified school buildings nationwide covered by the NIIP for FY 2025 that can be accessed thru <https://tinyurl.com/NIIP2025List> or <https://tinyurl.com/FBNIIP>.

In this regard, the Disaster Risk Reduction and Management Service (DRRMS) is requesting **all concerned School Heads or Designated School DRRM Coordinators to submit clear and detailed photos showing the damages to school buildings included in the 2025 NIIP list, specifically those identified with totally or partially major damaged classrooms.** These photos are crucial for accurate evaluation and for facilitating prompt repair and rehabilitation support under the said Insurance Program.

Please adhere to the following Guidelines for photo submission:

1. Photo Quality: Ensure photos are clear and well-lit and capture the extent of the damage.
2. Photo Angles: Provide multiple angles of each damaged classroom, including wide shots and close-ups of specific damages.
3. Identification: Each photo should be accompanied by a brief description including:
 - a. School name
 - b. Classroom designation (e.g., Room 101, Science Lab)

- c. Type and extent of damage (e.g., roof collapse, window damage)
4. The Division DRRM Coordinator shall consolidate all photos of schools with damage incurred in school buildings in one (1) file in PDF format.
5. All consolidated photos must be submitted and uploaded to the link <https://tinyurl.com/NIIP2025DocReqs> provided by the Education Programs Management Office (EPMO) **on or before October 24, 2025**. The photos must be organized per region and per division.

For any further clarifications and concerns, please do not hesitate to reach out to the DRRMS through email at drrms@deped.gov.ph or landline at (028) 637-4933.

For information and appropriate action.
