Attention: MS. APHRODITE HOPE MARTINEZ

Dear Supt. Eda ,

The threat of mild to strong earthquakes and tsunami is real! Parts of Cebu and Davao have been devastated by "Big Ones" and other areas continue to experience the hazard. The city of Vigan for its part continuously advocates preparedness measures through announcements/reminders/orientations, drills for the youth in schools; and other joint programs /projects / activities with our force multipliers.

As we endeavor to keep our people safe and prepared we are partnering with the Philippine Institute of Volcanology and Seismology- Department of Science & Technology (PhIVOLCS) in the the project World Tsunami Awareness Day (WTAD) thru the conduct of a 5 - Kilometer Tsunami Fun Run and the DRR Information Exhibit & Response Assets Static Display on October 25, 2025 in Vigan.

This activity advocates preparedness in the event of a Tsunami which our city is prone to considering that the Manila Trench (running through the West Philippine Se) has shown activity in the recent earthquakes.

May we then invite the Division to participate in the said Fun Run and Exhibit. The Run shall start and end in front of the Vigan City Hall at 5:00 AM. Participants shall be provided with water and food while the first 250 registrants shall be entitled to event singlets. The exhibit on the other hand will be at the Plaza Burgos on this same day. We enjoin DepEd Vigan to display its capacities and assets to show what it has been doing to protect and contribute to preparedness and safety through School DRRMs.

For more details particularly the Exhibit, Ms. Aphrodite Hope Martinez may get in touch with us through 0917 113 1082 .

Let us altogether be part of this event.

Very truly yours,

MILAGROS FLORA C. ALQUIZA
