Dear Sir:

Warmest Scientific Greetings! The Association of Science and Mathematics Educators of Philippine Private Schools (ASMEPPS) celebrates its 14th year of productive partnership with the Department of Education (DepEd), Department of Science and Technology (DOST), and Department of Environment and Natural Resources (DENR). For over a decade, we have collaborated to enhance the knowledge and skills of learners nationwide by organizing friendly academic competitions and activities that spark and nurture enthusiasm for science and mathematics.

Our 14th year is guided by the theme: "ASMEPPS Empowering Future Innovators: Strengthening Science, Technology, Engineering and Mathematics (STEM) Education for a Sustainable World". In line with this vision, we will host the 12th NATIONAL BATTLE OF MATH AND SCIENCE CHAMPIONS on February 20 and 21, 2026 (Friday and Saturday) at Easter College, Guisad, Baguio City. This competition seeks to showcase the outstanding scientific and mathematical talents of learners and the expertise of their coaches; promote academic excellence across educational institutions; and foster intellectual camaraderie and collaborative partnerships among all participants.

In this regard, may we invite students from REGION 1 as referenced under DepEd Advisory No. 216 s. 2025 to participate in this undertaking so they may demonstrate their hard-earned scientific and mathematical abilities on a national stage. Mechanics and Guidelines are hereto attached.

We extend our sincere gratitude for your continuous support and partnership in advancing quality STEM education across the Philippines. We look forward to your favorable response.

Respectfully yours

Prof. Eloisa E. Olivera
