**Advisory No. 45, s. 2026**

In compliance with DepEd Order (DO) No. 8, s. 2023  
This advisory is issued not for endorsement per DO No. 28, s. 2001,  
But only for the information of DepEd Officials,  
Personnel/staff, as well as the concerned public.

**ERF INTERDISCIPLINARY RESEARCH AND DEVELOPMENT PROGRAM**

In reference to **Regional Advisory No. 19, s. 2026**, the ERF Interdisciplinary Research and Development, shall conduct an ERF Interdisciplinary Research and Development Program through a one continuous session per month and delivered through face-to-face and self-paced learning modalities from March to December 2026.

The activity aims to:

1. Enhance quality and rigor number of educational research in the region;
2. Support evidence-based decision-making and innovation in schools and offices;
3. Encourage research productivity and dissemination aligned with DepEd's research agenda.

Teacher-researchers and non-teaching staff of public and private elementary and secondary schools are invited to participate and send nominations to the activity on a **voluntary** basis.

Participation of public and private schools shall be purely **voluntary** and will not hamper instructional time in compliance with the provisions of DepEd Order No. 012, s. 2025, titled *Multi-Year Implementing Guidelines on the School Calendar and Activities* and DepEd Order No. 9, s. 2005 titled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*, and the policy on off-campus activities stated in DepEd Order No.66, s. 2017.

Sir:

Greetings of respect and commitment to educational excellence!

This letter is to respectfully seek your favorable endorsement and recognition of the series of seminars and trainings organized under the ERF Interdisciplinary Research and Development Program. These capacity-building initiatives are designed to enhance the research competencies of educators and professionals through a progressive framework of professional development.

The proposed training series consists of monthly advanced research design seminars, conducted in one continuous session per month (8–16 hours), and delivered through Face-to-Face and Self-Paced learning modalities to ensure accessibility, flexibility, and maximum participation. The trainings will focus on progressive and advanced research competencies such as research design, literature review, instrument development, quantitative and qualitative analysis, mixed methods research, research ethics, scholarly writing, and research presentation.

This initiative will be implemented by ERF Interdisciplinary Research and Development, which is a partner and institutional member of Royale Institute, Singapore, and the National Book Development Incorporated (NBDI). These partnerships strengthen the program's academic rigor, international research exposure, and publication-oriented outcomes, ensuring alignment with global research standards and national research development goals.

This initiative aims to:

- Enhance the quality and rigor of educational research in the region;
- Support evidence-based decision-making and innovation in schools and offices;
- Encourage research productivity and dissemination aligned with DepEd's research agenda.

Attached herewith is the Training Matrix for your reference, detailing the training schedule, titles, objectives, modalities, participants, venues, and registration fee.

In this regard, we respectfully request the endorsement of your good office to allow the conduct and promotion of this training series across Schools Division Offices in the region.

Thank you very much for your continued leadership and support in advancing research development in education.

Respectfully,

*Maria Celia Junio-Fernandez*
