1. Pursuant to Republic Act No. 10588, otherwise known as the "Palarong Pambansa Act of 2013," it is the policy of the State to support programs that strengthen and promote the Palarong Pambansa as the primary mechanism for providing in-school sports opportunities that enhance the physical, intellectual, and social well-being of the youth. In line with this and in preparation for the Region I Athletic Association Meet, this Office hereby announces the conduct of an intensive training scheduled from March 5 to 31, 2026, except Sundays
2. The training aims to:
  1. enhance the competence level of student-athletes in their respective events;
  2. familiarize house rules imposed by the delegation;
  3. raise the overall performance in the 2026 R1AA Meet; and
  4. establish teamwork and camaraderie among members in the team and in the entire delegation in general.
3. Parent's permit of athletes must be secured and submitted to the coaches before the conduct of training
4. Athletes from archery, athletics and swimming must meet the minimum qualifying standard based on the DepEd Memorandum 20 & 21 s. 2024 titled *Conduct of 2024 Palarong Pambansa competitions & Updates in DepEd Order 20 s. 2024* respectively. Failure to do so shall forfeit their participation in the Regional Meet.
5. This Office also reiterates the submission of the training plan per sporting discipline by all coaches on or before **March 2, 2026**. Attached is the training plan template for reference.
6. To ensure that the "No Disruption of Classes Policy" will be observed, schools are enjoined to make necessary arrangements to preclude any disruption of classes and ensure normal school operations. Make-up classes and alternative delivery mode shall be promptly arranged by the respective school heads and homeroom advisers

to ensure that learner-athletes will catch up with missed lessons and other school works". In addition, schools concerned are advised to provide Self-Learning Modules (SLMs) and Learning Activity Sheets (LASs) to the learner athletes as part of intervention measures for classes missed to be facilitated by coaches.

7. In compliance with Section 16 of Batas Pambansa Blg. 232, otherwise known as the "Education Act of 1982" and the provisions of the Republic Act No. 10676, also known as the "Student-Athletes Protection Act", teachers are prohibited from lowering the grades of student-athletes for non-academic reasons
8. Athletes, coaches, assistant coaches & chaperones are advised to bring their tumblers, eating utensils, food containers and sleeping paraphernalia during the training. Coaches per event are requested to prepare at least 4 food containers and 4 rice containers that will suffice the quantity of meals for their respective athletes while the host schools are advised to prepare their respective pantries.
9. Athletes are not allowed to go home at night time, likewise coaches, assistant coaches, and chaperones are also required to stay with their athletes following the prescribed schedule in the duration of the intensive training.
10. Identified billeting school shall ensure the classroom cleanliness and security. During the day, billeting rooms shall still be utilized as classroom for students to ensure the observance of DepEd Order No. 09, s. 2005 "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith", which outlines crucial guidelines for educational activities to maximize students' learning time and ensure adherence to curriculum standards. Schools are also advised to make an arrangement with the barangays on the provision of security personnel from the barangay and to augment the medical team from the Barangay health workers
11. In addition, the School Heads of the identified billeting schools are requested to prepare and make available adequate medical kits and basic first-aid supplies to ensure the health, safety, and immediate medical needs of all billeted personnel and athletes.
12. In strict compliance with DepEd Order No. 40, s. 2012 also known as the Child Protection Policy, coaches and assistant coaches of the individual and dual events shall accompany their athletes in going to the training venue for the safety and security of the athletes. School heads are advised to report immediately to the Division Legal Designate or Learner Rights and Protection Focal Person any incidents of bullying, abuse, and harassment of athletes for corresponding sanction or administrative charges.
13. Division section heads of the personnel involved in the management of the training are directed to adopt alternative work arrangement during training to ensure operational efficiency.
