Dear Dr. Aquino,

Greetings!

The U.P. Filipiniana Dance Group is the official folk dance group of the University of the Philippines–Diliman. It was established in 1935 by Francisca Reyes-Aquino, known as the mother of Philippine folk dance and the first National Artist for dance. It has since been directed by some of the best dance practitioners and teachers in the Philippines.

In its 90 years, the group has successfully represented the university and the country in various national and international festivals and competitions, and it has received various performance awards and recognitions. Furthermore, UPFDG has been the training ground for numerous, prominent names in the Philippine dance industry and academe.

To date, we, the U.P. Filipiniana Dance Group, continue this tradition of excellence through our mission of furthering and replenishing our Philippine cultural dance knowledge base through research; cultivating, promoting, and representing our folk and ethnic dances and rituals by participating in international festivals and by performing to an even larger audience in the university and across the country; and producing abilities, well-equipped, and versatile dance artists through rigorous and effective cross-training in the newer dance forms.
