Dear Dir Aquino:

Greetings from DOST Ilocos Region!

As part of the Department of Science and Technology's continued efforts to promote Gender and Development (GAD) advocacy and encourage greater participation and inclusivity in Science, Technology, Engineering, and Mathematics (STEM), the Scholarship Unit, in partnership with the GAD Unit of DOST Ilocos Region, will be hosting a webinar entitled "**HerStory: Women in STEM Leading Innovation and Change.**"

The event is scheduled for **March 13, 2026**, from **1:00 PM to 5:00 PM** through **Zoom Web Conferencing and Facebook Live**. This webinar will serve as a platform to educate, motivate, and empower all students by showcasing real-life stories of women in STEM who exemplify excellence, resilience, and leadership. Through their experiences, participants will gain a deeper appreciation of the diverse opportunities available in STEM and the importance of gender inclusivity in scientific and technological advancement.

In this regard, we respectfully request your good office to assist us in disseminating this information to Schools Division Superintendents, school heads, and other concerned officials, and to encourage them to allow interested students to participate in the said webinar. Anchored on the celebration of Women's Month, we believe that this initiative will meaningfully contribute to strengthening gender awareness, promoting empowerment, and inspiring young learners to recognize the vital role of women in shaping communities, leadership, and nation-building.
