Information materials, advisories, and other communications related to the program shall be disseminated to all

Regional, Division, and District Offices, as well as to public and private Senior High Schools (SHS), to guarantee the widest reach of information. All materials can be accessed through the following link: https://bit.ly/BPMSP-IEC_Materials.

In addition, a dedicated area must be established where SHS students and graduates can access the BPMSP portal, and assistance must be provided to them in completing their applications. Any systemic delays, disputes, or constraints affecting the timely issuance of academic credentials must be immediately reported to CHEDRO counterparts. Further coordination with CHEDRO and TESDA regional and provincial offices is required for the conduct of career guidance, scholarship orientation, and higher education readiness programs for Grades 11 and 12 students.

 - c. Data on Senior High School completion, dropout, and transition rates to higher education or employment.

- 3. Schools must encourage graduating students to apply to the BPMSP and provide assistance to eligible SHS graduating students who have difficulties or limitations in accessing facilities for online application, including facilitating the submission of documentary requirements.
