YISRAEL SOLUTIONS AND TRAINING CENTER, INC.

Subject: Invitation to attend an Online/Face-to-Face Workshop for "NAVIGATING PRIVACY COMPLIANCE AND DATA PROTECTION (NPCDP) TRAINING WORKSHOP"

Dear Sir/Madam:

We are pleased to invite you and your personnel in the Human Resource Mgt Section, Finance, Administrative Section, IT, and those who have access to personal data to attend our Face-to-face or Online workshop for Data Privacy Act Awareness and Compliance, Privacy Impact Assessment (PIA) and Cyber Security Threats and Attacks to be held on the proposed workshop dates listed below.

All institutions, both from the Government and Private sector processing personal data in the Philippines are required to comply with RA 10173, the Data Privacy Act of 2012, as well as the Implementing Rules and Regulations (IRR) and memorandum circulars issued by the National Privacy Commission (NPC). Each government agency or instrumentality as per Section 22 of the Data Privacy Act of 2012 is not only responsible for complying with the security requirements mentioned in the law but also ensures that all sensitive personal information maintained by his/her agency are secured, as far as practicable, with the use of the most appropriate standard recognized by the information and communicating technology industry, and as recommended by the National Privacy Commission.

In addition, under NPC Circular No 16-01, one of the general obligations of a government agency engaged in the processing of personal data is to conduct a mandatory, agency-wide training on privacy and data protection policies once a year. A similar training shall be provided during all agency personnel orientations.

We will also provide the participants with deep dive understanding of legal and operational compliance to DPA and also to enable the participants to learn the right way of handling complaints and breach incidents.

Given below are the program modules with the corresponding modules and objectives.

I. PROGRAM OBJECTIVES

MODULE	TOPIC	OBJECTIVES
1	Data Privacy Awareness (DPA) - Refresher course and Updates to the Data Privacy Act of 2012 (IRR 10173) - Appoint a Data Protection Officer - Roles of the Data Protection Officer	Discuss the Data Privacy Act of 2012 and its updates on the legislative framework. Understand what needs to be done to achieve compliance with RA 10173, its IRRs, and other issuances of the National Privacy Commission. Be aware of the consequences that may arise from being non-compliant to Republic Act 10173, also known as the Data Privacy Act of 2012.
2	Privacy Risk and Impact Assessment - Key points in conducting Privacy Impact Assessment(PIA)	Know the importance of conducting a Privacy Impact Assessment and an opportunity to discuss experiences of embedding privacy-by-design in your processes.
3	Structuring Privacy Governance and Preliminary Risk Assessment	This session focuses on establishing a strong framework for privacy governance, while identifying and assessing initial risks to ensure proactive data protection and regulatory compliance. This also practices accountability to effectively establish the overall privacy program on the organization.
4	Building the Foundation: Data Inventory and Mapping of Privacy Risk	Participants will go-through the process of creating a data inventory while identifying and mapping privacy risks. It will emphasize how to proactively assess and address privacy challenges to build a strong, compliant privacy framework.
5	Data Protection and Privacy Program Landscape	The participants will know the overview of the current landscape of data protection and privacy programs, covering key regulations, best practices, and strategies for ensuring compliance. Participants will gain insights into building and maintaining robust privacy frameworks that safeguard sensitive information
