**SUBJECT : Reiteration on the Schedule for the Conduct of CY 2026
 Quarterly Nationwide Simultaneous Earthquake Drill (NSED)**

DATE : February 18, 2026

Pursuant to the approved NDRRMC Memorandum No. 15, s. 2026 "Conduct of the CY 2026 Nationwide Simultaneous Earthquake Drill", offices across all levels of the Department and schools are enjoined to participate in the conduct of quarterly Nationwide Simultaneous Earthquake Drill (NSED) with schedule as follows:

Quarter	Date	Time
1 st Quarter	March 12, 2026	03:30 PM
2 nd Quarter	June 18, 2026	09:00 AM
3 rd Quarter	September 10, 2026	02:00 PM
4 th Quarter	November 5, 2026*	09:00 AM

*in connection with the observance of the World Tsunami Awareness Day

The schedule of NSED may be adjusted in circumstances such as, but not limited to declared holidays, sudden cancellation of school classes or office work, or actual emergency and disaster incidents. All other activities are requested to be temporarily interrupted to give way for the scheduled conduct of NSED and shall resume afterwards.

Additionally, NDRRMC Memorandum No. 06, s. 2023 allowed the resumption of the conduct of traditional or in-person Nationwide Simultaneous Earthquake Drill since the beginning of the first quarter of 2023. It is therefore recommended to design and implement other forms of exercises based on needs assessment, aside from

evacuation drills, to scale up overall earthquake preparedness. However, this is subject to the strict implementation of minimum health protocols such as but not limited to, social distancing and handwashing to ensure the safe and effective conduct of the NSED. All DepEd offices and schools responsible for implementing the drill will assign Safety and Health Officers to monitor and evaluate the adherence to these protocols throughout the exercise.

To ensure awareness and preparedness on the impending threat of the inevitable occurrence of an earthquake, even amid pandemic, **Information, Education, and Communication (IEC) campaign in NSED using distant means should be continuously intensified.** A copy of NSED materials can be accessed through <https://bit.ly/DepEdNSED>.

For the post-NSED activities, the self-evaluation and processing of the NSED within respective areas of jurisdiction are encouraged after the conduct of NSED. Proper documentation and post-activity evaluation of said drill are required. All field offices are advised to make necessary preparations to ensure that the required reports are submitted on time, as indicated in Annex A. Also attached is the NDRRMC Memorandum No. 015, s. 2026 for reference.

For further information, you may contact the Disaster Risk Reduction and Management Service, 2nd Floor, Mabini Building, Department of Education Central Office, DepEd Complex, Meralco Avenue, Pasig City through email at drmm@deped.gov.ph.

SUBJECT Conduct of the CY 2026 Quarterly Nationwide Simultaneous Earthquake Drill (NSED)

DATE January 22, 2026

Reference: NDRRMC Memo No. 15 s. 2026

The Philippines is situated along the Pacific Ring of Fire, making it highly susceptible to frequent and destructive earthquakes and volcanic activity. This inherent geological risk necessitates the institutionalization of robust preparedness measures, a priority established following the devastating Yogyakarta, Indonesia earthquake in May 2026. This incident prompted then-President Gloria Macapagal Arroyo to direct the former NDCC to conduct a simultaneous drill, which eventually led to the quarterly conduct of the Nationwide Simultaneous Earthquake Drill (NSED).

The NSED is a cornerstone of the NDRRMC's initiatives under the leadership of the Office of Civil Defense (OCD) in partnership with the Philippine Institute of Volcanology and Seismology which aims to assess the nation's capacity to respond to earthquakes, particularly in ensuring public safety through well-organized evacuation and response procedures.

In view thereof, the schedule for the CY 2026 Quarterly NSED is hereby disseminated:

Quarter	Date/Time	Time
1 st	12 March 2026	3:30 PM
2 nd	18 June 2026	9:00 AM
3 rd	10 September 2026	2:00 PM
