ESTELA L. CARIÑO
Regional Director
Department of Education – Region I

RE: Request for Assistance in Deploying Online Survey for TEC Project T25

Dear Director Cariño:

Greetings of peace and excellence.

In connection with **TEC Advisory No. 02, Series of 2026, dated April 21, 2026**, endorsing the data gathering activities for the Research Initiatives in Teacher Education Year 2 (RITE 2), we respectfully request the assistance of your good office in cascading our online survey to teachers handling Special Curricular Programs (SCPs) of the Department of Education (DepEd) in your region.

Our study is listed under Project Code T25, entitled:
“Examining the Intended and Implemented Special Curricular Programs of the Department of Education Towards Policy Recommendations.”

The project is implemented by the Teacher Education Council (TEC), in partnership with the **University of Santo Tomas** as the Project Management Team, and with **Mindanao State University – General Santos** and the **University of Santo Tomas, Manila** as implementing institutions for T25.

Specifically, may we respectfully request your office to forward the online survey to the concerned SCP teachers within your region, particularly those involved in the following:

1. Special Program in the Arts (SPA)
2. Special Program in Foreign Language (SPFL)
3. Special Program in Journalism (SPJ)
4. Special Program in Sports (SPS)
5. Science, Technology, and Engineering (STE) Program
6. Special Program in Technical-Vocational Education (SPTVE)

The survey consists of approximately 80 items and may be completed within 30–40 minutes. Participation is entirely voluntary. All responses will be treated with strict confidentiality and used solely for research and policy recommendation purposes. The study has also been cleared by the University of Santo Tomas Institutional Research Ethics Board (UST-IREB).

Attached for your reference are the following:

1. TEC Advisory No. 02, Series of 2026
2. T25 Survey Link and QR Code

For questions or clarifications, the research team may be reached through tec25research@msugensan.edu.ph or t25@ust.edu.ph.

We sincerely hope for your favorable consideration and support in disseminating this survey to the concerned SCP teachers in your region. Your assistance will meaningfully contribute to the development of research-based policy recommendations to strengthen DepEd SCPs nationwide.

Respectfully yours,

MICHAEL B. CAHAPAY, PhD
