Dear Director Cariño,

As we begin a new school year together, the Gokongwei Brothers Foundation would like to express its sincere appreciation for your continued partnership in strengthening the implementation of GBF Class Builder across the Schools Division Offices (SDOs) in your Region. We deeply value our active collaboration in enhancing teaching and enriching learning.

As part of our ongoing partnership this School Year 2026–2027, we have begun conducting launch sessions with GBF Class Builder Leads to share key upgrades to the program. These include the introduction of the upgraded and more responsive platform, expanded learning materials aligned with recent DepEd updates such as the 3-Term Calendar and the ILAW Format Lesson Plan, opportunities for certification in active learning, and communities for them and their co-teachers within the program.

In this regard, **may we respectfully request from you the following:**

Additionally, to help schools fully benefit from the opportunities available through GBF Class Builder, we seek your support in encouraging all enrolled teachers to activate and regularly use their individual accounts. We strongly discourage the sharing of accounts and downloaded files among teachers, as certification, usage and support data are tied to each teacher's account. Using accounts individually also enables us to better understand teacher engagement and learning needs, allowing us to provide more relevant support to schools, divisions, and regions throughout the school year.

Thank you for your continued partnership and support. We look forward to another year of collaboration in empowering teachers and improving learning outcomes.

Sincerely,

ANGELA DIANNE AGUSTIN
