Attention: Mr. Raymart Q. Quedado
Division SDRRM Coordinator

Dear Supt Eda,

Once again, the whole country will observe the National Disaster Resilience Month (NDRM) with the theme , "Naghahanda at Kumikilos Tungo sa Panatag na Bagong Pilipinas" . This must inspire all of us to sustain our resolve to advance resilience in coping with the challenges of natural and human induced incidents that affect our communities .

Our NDRM celebration this year is a commemoration of the 4th Anniversary of the Magnitude 7.2 Earthquake that rocked Northern Luzon on July 27, 2022 While the strong earthquake dealt our communities with destruction of properties, injuries, and psychological trauma, we continued to work our way to recovery and the strengthening of our DRRM measures and strategies. Four years after, the City of Vigan mounts the activity, Response in Review which is drawn from the OCD's Rescue March but with a twist . The event will make us look back at how it was and the lessons learned to prepare and take on other future hazards.

May we then request you to encourage your DRRM coordinators to witness the simulated rescue operations of the activity on July 6, 2026 at 8:00 AM in these areas:

- 1) Public Market – Ladder Rescue
- 2) Convention Center – Vehicle Extrication
- 3) Café Leona , Calle Crisologo – Vehicular Extrication
- 4) Heritage Office , Calle Crisologo – High Angle Rescue
- 5) Vigan Tennis Court – Fire Suppression
- 6) Vigan Theme Park Site, San Julian Sur – Collapsed Structure Rescue

Furthermore, we also invite you, the Division DRRM Coordinator and the school heads of the following schools which are being used as evacuation centers to receive the generator sets which will be turned over at the Plaza Burgos on the same day, after the Review at 10:30 AM, to wit: Vigan Central School, San Julian ES, Salindeg- Pong-ol- Barraca ES , Capangpangan ES, Raonis ES and Camangaan ES.

Let us continue to be one in making Vigan safer and resilient through these initiatives.

Sincerely,

MAYOR RANDOLPH Y. SINGSON
Chairman
