Subject: Dissemination of Information on the Philippine Executive Council of Academic Affairs (PECAA)

Dear Dr. Leon-Cariño:

Greetings!

We are pleased to formally announce the establishment of the **Philippine Executive Council of Academic Affairs (PECAA)**, a SEC-registered, nonprofit, and nonpartisan association. PECAA has likewise constituted its first set of officers who will lead the Council in fulfilling its purpose and advancing its initiatives.

PECAA envisions becoming an academic association among Vice Presidents for Academic Affairs (VPAAs) that promotes professional engagement and collaboration to better support schools, government, and relevant industries in advancing education reforms in the Philippines.

Anchored on this emerging vision, the Council seeks to foster academic excellence, transformative leadership, policy alignment, innovation, and future-ready learning ecosystems responsive to the evolving demands of higher education.

To achieve this, the Council shall pursue the following program and initiatives:

1. Professional engagement, networking and collaboration among VPAAAs and academic leaders.
2. Policy advocacy and constructive participation in education reform initiatives.
3. Capacity-building activities, forums, seminars and training programs for academic leaders and faculty members.
4. Sharing best practices in academic leadership, quality assurance, curriculum development, research, innovation and student development.
5. Partnership and collaboration with government agencies, industries and other education stakeholders.
6. Initiatives that support quality, accessible, relevant, responsive and future-ready Philippine education.
