Ms. Eda:

Youthful greetings!

The Provincial Youth Development Office (PYDO) of Ilocos Sur will be conducting the Reproductive Health and Sexual Rights and Gender-Based Violence Prevention Training for Peer Facilitators (Phase I) at the 3rd Floor, SP Conference Room, Provincial Farmers Livelihood Development Center, Vigan City, Ilocos Sur.

The training recognizes the vital role of young people in promoting healthy behaviors, advocating for gender equality, and helping create safe and inclusive communities. Through interactive discussions, experiential learning activities, case analyses, role-playing exercises, and group workshops, participants will be equipped with essential knowledge, appropriate attitudes, and foundational skills to become responsible peer facilitators and advocates. The activity also aims to develop more young Community-Based Motivators (CBMs) by providing them with a strong foundation in reproductive and sexual health, sexual rights, and gender-based violence prevention.

In this regard, we cordially invite **5 Junior High School Students** to participate to the above-mentioned training on **25-27 September 2026**. This training will gain them more knowledge and experience in youth engagement and advocacy through valuable insights.

Should you have any questions or require further information, you may contact Ms. Anicah Arce at 09171352252.

We sincerely hope for your favorable response to this invitation. We greatly appreciate PNGOC's continued support and partnership in advancing programs and initiatives that empower young people and promote their health, rights, and well-being.
