VILMA D. EDA, CESO V
Schools Division Superintendent
Vigan City, Ilocos Sur

Dear Ms. Eda:

Cervical cancer remains a significant public health concern despite being largely preventable through HPV vaccination, screening, early detection, and timely treatment. In support of the World Health Organization and Department of Health's cervical cancer elimination agenda, the forum aims to bring together health leaders, public health stakeholders, development partners, and members of the media to strengthen awareness, promote evidence-based interventions, and foster multisectoral collaboration toward cervical cancer elimination in the Ilocos Region.

In this regard, we respectfully invite your Medical Officer, Nursing Services focal person, and Adolescent Reproductive Health focal person to participate in the forum and support the dissemination of key messages on HPV vaccination, cervical cancer prevention, and its elimination.

The activity will be conducted free of charge, with an application for Continuing Professional Development (CPD) units for physicians, subject to the approval of the Professional Regulation Commission (PRC). Participants are kindly requested to register on or before October 5, 2026 through the official registration link: <https://bit.ly/IlocosCCEForum>.

Your participation and support will be valuable in strengthening collective efforts toward a coordinated and sustainable regional response to cervical cancer and in advancing the goal of eliminating cervical cancer as a public health problem.

We look forward to your favorable response and continued partnership in promoting the health and well-being of women in the Ilocos Region.

For additional queries, you may contact Dr. Shaymae Pearl B. Ufano at (072) 607-6413 or via email at njp@ilocos.doh.gov.ph.

Thank you.

Very truly yours,
