Subject: Invitation to Participate in the Webinar “Design Learning That Shines: Canva and Multimedia Content Creation for Public School Teachers”

Dear Mx. VILMA D. EDA, JR., Mx. ANNIE D. PAGDILAO:

Warm greetings!

As part of its academic requirements and public service initiative, our team- TALA (Technology Advocates for Leadership & Advancement) from the TM291 class of the Technology Management Center, University of the Philippines Diliman- is organizing an online capability-building webinar entitled “Design Learning That Shines: Canva and Multimedia Content Creation for Public School Teachers

In line with our commitment to promoting technology adoption and innovation in education, this initiative aims to equip educators with practical knowledge and skills in using Canva to create engaging, visually appealing, and accessible instructional materials that support effective teaching and learning.

For your reference, please see the details of the webinar below:

- **WHAT (Event Topic and Structure):** A three-hour capability-building webinar designed to equip educators with foundational visual-design principles, accessibility practices, and the effective use of Canva’s Educator features to produce engaging instructional materials, such as digital slides, teaching infographics, and classroom worksheets. The session will include a presentation, live tool demonstrations, a guided hands-on activity, and an open question-and-answer segment.

TECHNOLOGY MANAGEMENT CENTER UNIVERSITY OF THE PHILIPPINES

- **WHEN (Date and Time):** Saturday, November 7, 2026, from 9:00 AM to 12:00 NN (Philippine Standard Time).
- **WHERE (Platform):** Online via Zoom. The meeting link, technical support, and host access will be provided by our team.
- **WHO (Resource Speaker):** We are honored to have Ms. Vida Cella N., Data Labelling EU & PH Lead at Canva, as our resource speaker. With her expertise, participants will gain valuable insights into Canva's features and their potential applications in teaching and learning.

In this regard, we respectfully seek your support in disseminating this invitation to your teaching personnel and encouraging interested teachers to participate in this learning opportunity. We believe that the knowledge and skills they gain will help them enhance their instructional materials and explore innovative approaches to classroom teaching.

Further details regarding registration and webinar participation will be provided through [insert registration link or contact details].

Thank you for your time and consideration, and for your continued support of initiatives that promote professional development, creativity, and innovation in education. We look forward to the opportunity to collaborate with your school in making technology-enhanced learning more accessible and engaging for teachers and students.

Respectfully yours,
