Dear Ma'am,

I am writing to reach out on behalf of our dear colleague Mr. Rolly Raceles, who is currently hospitalized and undergoing critical medical treatment due to a brain aneurysm.

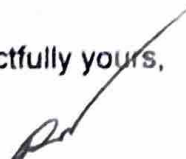

As many of us know, Mr. Raceles is an integral part of our school and division, known for his hard work, kindness, and dedication. During this challenging time, he and his family are facing immense emotional strain, alongside rapidly growing medical expenses for his treatment, medication, and care.

In times like this, the support of a community can make a world of difference. We are organizing a voluntary donation drive to help lighten the financial burden on Mr. Raceles' family so they can focus fully on his recovery and healing. In this light, may we request your good office the permission to seek financial assistance from the teaching and non teaching personnel of our division.

We sincerely hope for your kind consideration and approval of this request. Any amount of assistance, given voluntarily, will be deeply appreciated and will go a long way in helping Mr. Raceles and his family during this difficult time. Your support will not only ease their financial burden but also serve as a reminder that they are not alone in this challenging journey.

Thank you for your compassion, generosity, and continued support. May we remain united in extending a helping hand to our colleague and his family as they face this difficult situation.

Respectfully yours,

EDITHA C. BAGCAL
Principal IV
