Subject: Invitation to Participate in the Webinar "Design Learning That Shines: Canva and Multimedia Content Creation for Public School Teachers"

Dear Ma'am Vilma D. Eda:

Warm greetings!

As part of its academic requirements and public service initiative, our team- TALA (Technology Advocates for Leadership & Advancement) from the TM291 class of the Technology Management Center, University of the Philippines Diliman- is organizing an online capability-building webinar entitled "Design Learning That Shines: Canva and Multimedia Content Creation for Public School Teachers

In line with our commitment to promoting technology adoption and innovation in education, this initiative aims to equip educators with practical knowledge and skills in using Canva to create engaging, visually appealing, and accessible instructional materials that support effective teaching and learning.

For your reference, please see the details of the webinar below:

- **WHAT (Event Topic and Structure):** A three-hour capability-building webinar designed to equip educators with foundational visual-design principles, accessibility practices, and the effective use of Canva's Educator features to produce engaging instructional materials, such as digital slides, teaching infographics, and classroom worksheets. The session will include a presentation, live tool demonstrations, a guided hands-on activity, and an open question-and-answer segment.
