DIVISION MEMORANDUM
No. 953 s. 2026

04 NOV 2026

IMPLEMENTATION OF THE SCHOOL-BASED FEEDING PROGRAM- FRESH MILK FOR SY 2026-2027

To: Assistant Schools Division Superintendent
Chief Education Supervisor (SGOD & CID)
Public Elementary, Secondary and Integrated School Heads
Administrative Officer V (Administrative Services)
All Others Concerned

1. In reference to DepEd Order No. 013, s. 2026, entitled "Institutional Guidelines on the Implementation of the School-Based Feeding Program (SBFP)," this Office hereby announces the implementation of the SBFP–Milk Component.

2. The School Based Feeding Program-Milk Component aims to provide fresh milk as a supplement to the hot meals served to eligible learners to improve their nutritional status, promote healthy growth and development, and develop a habit of drinking milk. The program also aims to improve learners' classroom attendance and school performance.

3. The 25-day milk feeding program will commence on October 27, 2026. The 1,345 learners who are identified as SBFP beneficiaries will be the beneficiaries of the SBFP-Milk Component. These include all Kindergarten and Grade 1 learners, as well as severely wasted and wasted learners from Grade 2 to 6.

4. SBFP School Focal Persons shall prepare clean coolers to be used during the pick-up and distribution of fresh milk. The Division Inspection Team will inspect the fresh milk at the Schools Division Office, in front of the Supply Office, before it is transported to the designated pick-up points. Attached is the List of Assigned Pick-Up Points for the SBFP Milk Feeding Program, including the breakdown of beneficiaries per school and the names of the personnel-in-charge of distribution.

5. In the meantime, while the procurement of freezers is ongoing, schools that lack adequate cold storage facilities may store their milk in the freezers at the VCS Central Kitchen, NES Central Kitchen, or the SDO. Schools shall be responsible for retrieving the milk from storage before the scheduled school feeding time.

6. For immediate information and compliance of all concerns.
